Presiding: Maria Pichini, Chairperson  
Members Present: Susan Bucks, Sid Hostetter, Lois Matarazzi, Secretary; Cindy Skinner, Bill Stoffel  
Members Excused: Faith Bucks; Peter Gluszko;  
Twp. Supervisor Rep: Rugh Henderson

## Colebrook Mill

The Township is continuing to wait for the Game Commission in order to continue with the next step of the property transfer; probably will not hear anything until beginning of 2016

## Newsletter

Sid will submit an article on the Mt. Gretna Springs for the next newsletter; he will also continue to investigate Heritage Trees and/or Legends of Trees in South Londonderry Township and attempt to get permission to use the article he shared at last month's meeting for a future newsletter.

## Residential Structural Preservation

The Commission will be investigating if there are any current ordinances that would help home owners preserve their structures. A future task of this Commission could be forwarding suggestions to the Township that will encourage residents to maintain and preserve structures. This topic will be followed up and discussed at future meetings.

## 2016

The focus for 2016 will be building up the database of historical homes in South Londonderry Township. Maria has a list of historical homes and will bring it to the next meeting. Maria will check with Shawn and verify if there is any information available that the Historical Commission could use [i.e., minutes, forms, original items, etc.]. The database can be updated with the information the Committee currently has on past Preservation Award Recipients, such as: Dr. Gish, Salem U.C.C., the Kuhlengel's, and the Risser-Marvel Farm.
