Bell Memorial in front of Fire Hall

Due to weather, most likely will not be repaired until Spring 2020.

Old Business

- ✓ No update on the Township Ordinance No. 182 (the “**Ordinance**”) revisions.
- ✓ The following terms were set to expire January 1, 2020: Trevor Kase, Lois Matarazzi and Maria Pichini. All three members’ terms have been extended.

New Business

- ✓ The Commission discussed Campbelltown Community Alliance’s (the “**Alliance**”) project of new signs for Campbelltown. The Commission, as a whole, feels it is not in a position to help with this project, but if any member wishes to help on their own, the Alliance would be appreciative. General Discussion

As a visual and informational extension of our community database work, the South Londonderry Township Historical Commission has compiled a list of physical, cultural, and historical features of our township. Building upon this database and list, Gerry further suggested, and we all agreed, that the development of an interactive map of South Londonderry Township, featuring the geographic locations of historic, cultural, and physical points of interest, including photos and relevant information, as well as community input would be an exciting, viable ongoing community project to focus on the treasures of our four villages.

The villages of Campbelltown, Colebrook, Lawn, and Mt. Gretna are replete with historical value and interest and, with the community's help, we will focus on our mission to research and share this information.

Next Historical Commission Meeting
Monday, February 10, 7:00pm, at the Township Building.
