

SOUTH LONDONDERRY TOWNSHIP
PART-TIME LAWN MAINTENANCE TECHNICIAN

Job Description

This position is to serve as a working, part-time crew member of the South Londonderry Township Highway Department. This motivated and reliable individual will be responsible for performing various lawn care tasks throughout the Township. This position offers an opportunity to uphold our standards of cleanliness and aesthetic appeal while enjoying a potentially flexible, part-time schedule.

Primary Duties

- Mowing and trimming grass in parks, public natural areas, and other designated areas using manual or powered lawn care equipment.
- Edging around sidewalks, pathways, and flower beds to maintain neat and tidy appearances.
- Removing debris, litter, and fallen branches from lawns and pathways to ensure a safe and attractive environment.
- Operating and maintaining lawn care equipment in a safe and efficient manner, reporting any issues or maintenance needs promptly.
- Following all safety protocols and guidelines to prevent accidents and injuries while on the job.
- Communicating effectively with supervisors and fellow team members to coordinate tasks and ensure efficient workflow.
- Performing other duties as assigned.

Qualifications

- Previous experience in lawn care or landscaping preferred.
- Ability to operate lawn care equipment such as zero-turn lawn mowers, string trimmers, and edgers safely and effectively.
- Ability to hitch and safely drive and back in a trailer.
- Ability to drive a vehicle with manual transmission.
- Strong attention to detail and a commitment to producing high-quality work.

- Physical stamina and strength to perform manual labor tasks in various weather conditions.
- Willingness to work collaboratively as part of a team and take direction from supervisors.
- Valid driver's license with a clean driving record preferred.

Benefits

- Competitive hourly wage commensurate with experience.
- Flexible scheduling to accommodate part-time availability.
- 15-30 hours per week depending on weather and work load.
